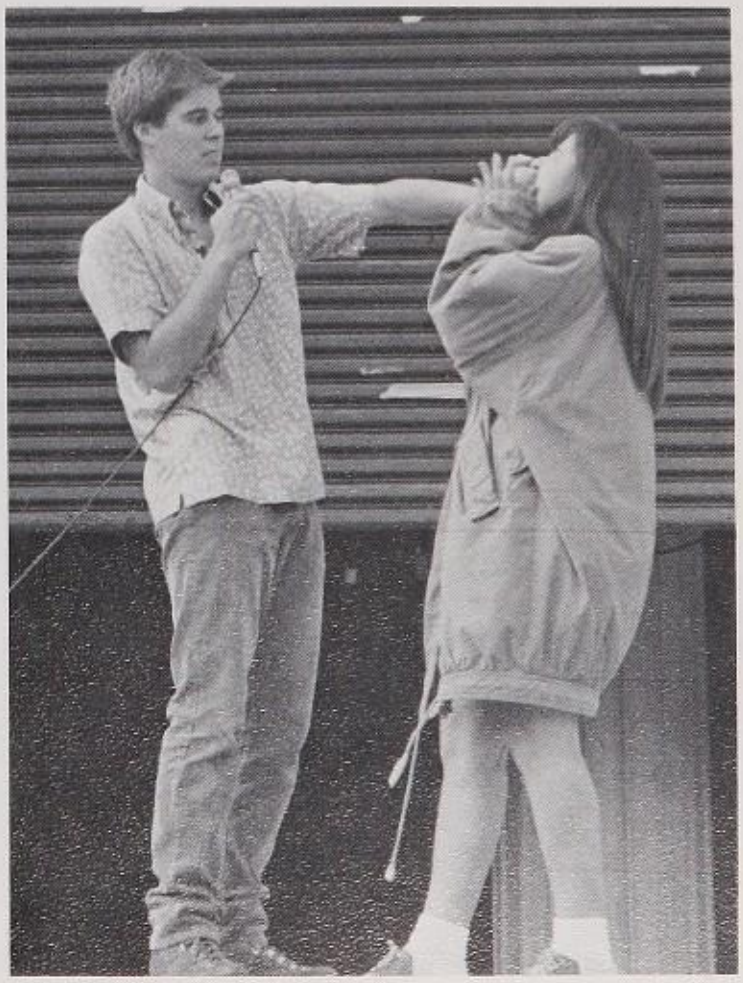
SENIORS



Unity and pride in the Class of 1987

The seniors this year have made the most of their last year at PVHS, demonstrating their school spirit and enthusiasm at events. From Homecoming to Harlan Shoemaker, the Class of '87 could always be seen and heard. Although the pressures of applications for colleges burdened the seniors in the first semester, they were able to breathe a sigh of relief by the second semester and enjoy the rest of their time at PVHS. In addition to the good times, seniors will also leave with some valuable memories and lifelong friends.

Tim Hall, Senior Class President, remarked, "The high-powered enthusiasm of the Senior Class resulted in the highest-finishing Homecoming float of our class, the revival of the Senior Scrub Club, and hilarious new activities such as male cheerleaders, leg shaving, and the CIF Shuffle. It has brought unity and pride to the Class of 1987.

Lea Dobbins and Alissa Varricchione display their talent at the infamous "English IV AP Lifesaver Pass," while exclaiming, toothpicks in mouths, "We're getting college credit for this!"

SOPHOMORES

Sophomores: past their horrendous freshman year

With the bewildering but fun-filled freshman year behind them, the Sophomore Class cut down on fun and paid more attention to their future. Thinking about the PSAT and their junior year, the Sophomores realize just how important their academics are.

But, while realizing just how important academics are, the Sophomore Class still participated in school activities.

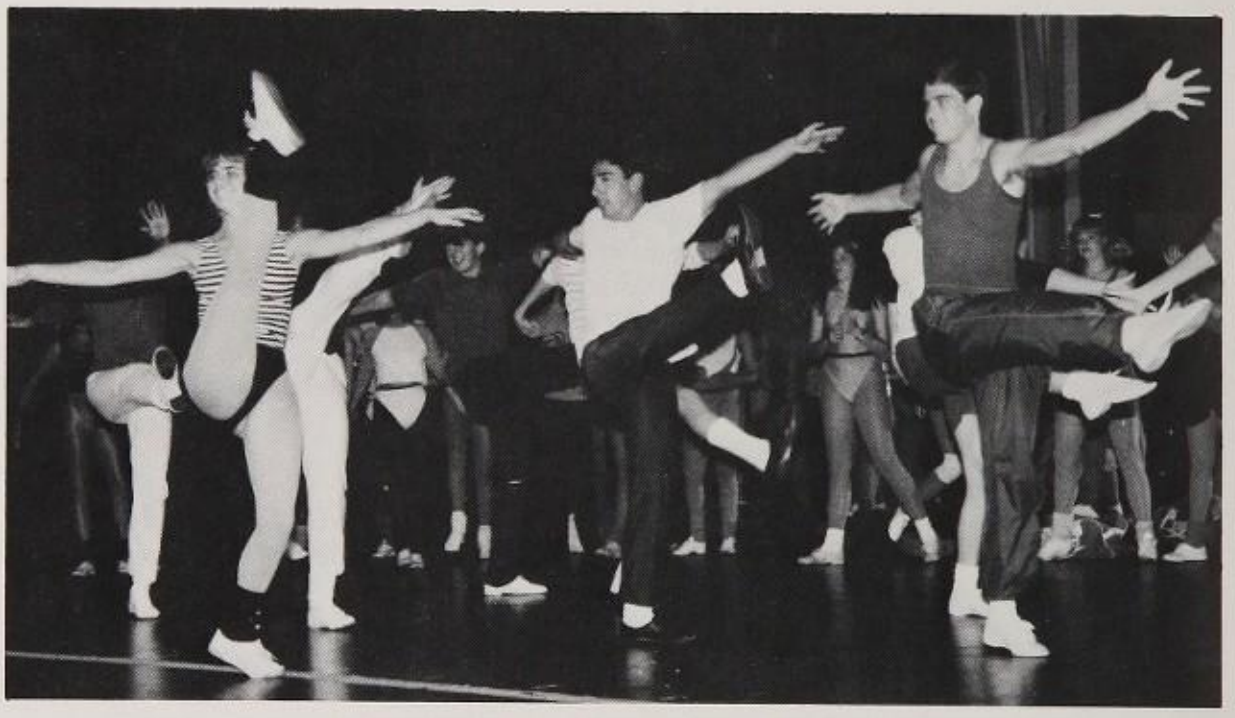
Summer show at the Norris with PTA

The 24th annual summer show was held at the Norris Community Theatre this year, sponsored by the Palos Verdes High School PTA. The performance at the Norris was a first for the summer show cast and crew, previous performances being held in the PVHS multi-purpose room. Jim Bell was the director and Coby Martinez was the orchestra conductor. Kirsten Benton and Kristen Robinson gave memorable performances.



Julie Rowe, Don Reisinger, and Tim Hall practice hard to get their scene working flawlessly for the show.

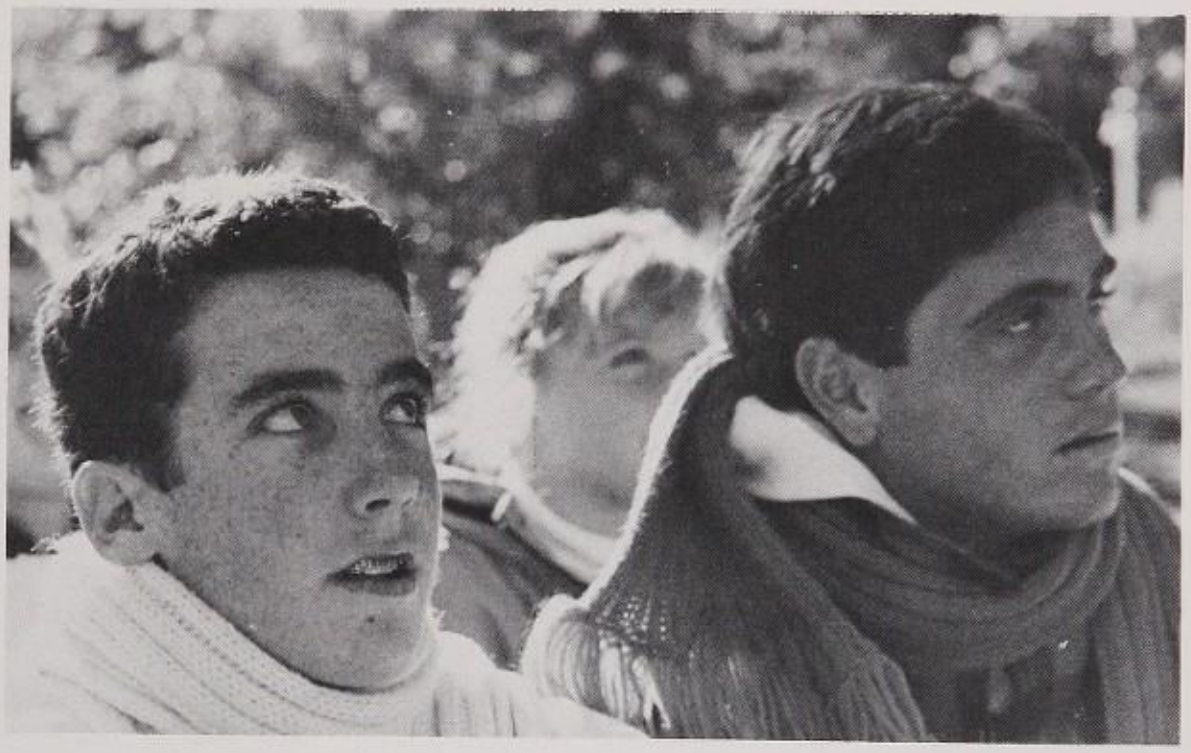
Leadership campers plan activities, learn value of leaders

Kari Murnane, Alissa Varricchione, Marianne Brombach, and Ann Connaghan pause from leadership activities.

Leadership Camp this year proved to be a great success, with fifty-four ASB members and invited guests in attendance. Spending the weekend at a camp in the San Bernardino Mountains, the students decided on the theme of 'Enchantment Under the Sea' for Homecoming Week and offered many ideas for pep rallies, lunchtime activities, and special events. "It was the most productive weekend, both in terms of quantity and quality of ideas, in recent years," said James Kinney, Activities Director.

Creative Thought Day was planned, as were future ASB activities. A movie, 'Tales from the Crypt' was shown, adding to the excitement of the weekend. Said Tim Hall, Senior Class President, "With fresh ideas, we got a lot done. Good friends and good times made it a lot of fun." The guys were joined in their football game by a willing Mr. Samuels. "It was a great experience for me to get acquainted with the leaders of the school and plan with the students for the upcoming year. It was one of the most worthwhile leadership camps that I have been a part of," said John Letcher, Assistant Principal.



Kevin Hart and Tim Hall eagerly concur with Mr. Kinney's speech on the duties of leadership.

John Murnane, Tim Hall, Rex Corbett, Peter Interian, and Scott Malmquist take a time-out from football.

Time was spent in individual groups discussing the values of leadership and involvement with Mr. Kinney, Principal Bernard Samuels, and district board member Mrs. Kinnel. Emphasis was placed on communicating to a large portion of the student body as well as involving the smaller groups of the student population. Activities of a wide variety were planned to appeal to everyone at Palos Verdes. "Those who went to Leadership Camp represented a wide variety of students' interests. Their enthusiasm made the weekend fun and successful. Everyone worked hard to come up with new ideas and we all had a great time," said Jennifer Baszile, ASB President.

Homecoming Week was a success with the theme, "Enchantment Under the Sea." During the week several events took place, each one tying in with the theme. Some of the events included the Sea Chain, the Hoppity-Hop Race, the Tug-o-War, the Battle of the Sea Anemones, and the Keyettes' Picnic Basket. The grand finale came on Friday. At a special assembly, the obstacle course was run and the Homecoming Court and floats were presented. The pep rally at lunch consisted of the cheerleaders mimicking the senior football players. Overall, the activities boosted spirits and participation of PVHS students.

Included in the halftime field show, the six princesses, Kathleen Cunningham, Susan Donaldson, Karen Ito, Kim Ito, Dona Leonard and Keely Peters were presented with their fathers. Sea Kings beat Rolling Hills again with a 13-10 victory

On the eve of the "King of the Hill" football game, flames leaped into the air enveloping "Tommy Titan." This marked the beginning of the traditional PV pep rally and bonfire. The following day at lunch, Mr Kinney Marjorie Culver, and Brian Coffey were dressed up as Titans. They were then drenched in maple syrup. Sud— denly, an avalanche of red and black feathers came tal— ling down on top of the sticky victims. A few hours later, as the sticky residue glistened in the sun, the football game against Rolling Hills began. The lead was passed back and forth between the two arch rivals. In the final seconds of the fourth quarter, the Titans were leading 10—7. The Sea Kings had the ball and were just an arm's length from scoring. In the final second of the game, the Sea Kings scored and walked away with the title, "King of the Hill." That night, over 600 Palos Verdes students celebrated the 13—10 victory with a Beatlemania dance.

Anti-R.H. caps were sold to boost spirit among Sea King fans.

Lady Audley's Secret... another PVHS success

Jim Bell once again directed an outstanding play, "Lady Audley's Secret". Seniors Chris Irvin and Michelle Randall starred in this comical melodrama. The audience participation in "Lady Audley's Secret" made it a one of a kind performance. Also starring in the play were Lisa Sisk, Todd Anderson, Tim Griffith, and Elizabeth Springett.

Todd Anderson, the hero of this play, is off to staunchily save the day.

Shauna Malone, playing the sweet, innocently recites a poem for the audience.

Michelle Randall, playing the evil Lady Audley, tries to convince the audience to follow her fool-proof plan.

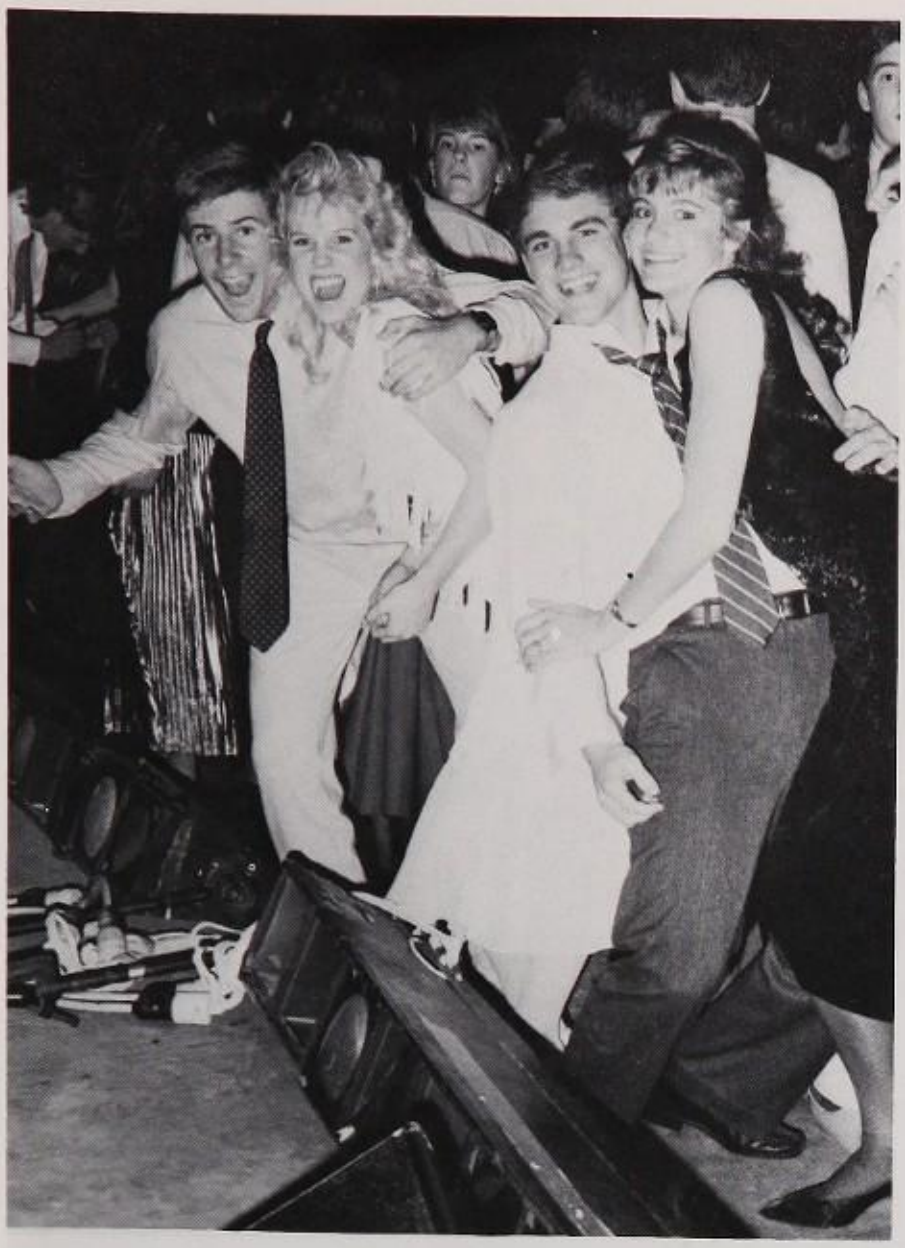
Strumming on his imaginary electric guitar, Kirk Schaumann dreams of rock stardom.



Taking a break from dancing, Mike McKay, Brooke Thies, Matt Seaburn and Marianne Brombach smile for the camera.

The third annual Winter Formal was a huge success. With the theme, "Under a Moonlit Sky," the Assembly members worked hard to plan the event. The music was provided by "The Shadows" and the decorations included a fountain enhanced with ficus plants, four trellises at the corners of the room, garlands extending from a pole in the center of the room to the far corners and silver, black and white balloons. All ficus plants and garlands were entangled with clear Christmas lights. The backround for the formal picture was a scene of the city with the moon in the sky.

At the Winter Formal, Nicole Dunn, Alfonso Lindsay, Kathryn Clark and Sandy Miller dance the night away.

The PVHS students bring holiday cheer to other kids

As has been our custom for some time at the holiday season, PVHS went to the Special Education Center in San Pedro with some special holiday entertainment. This Special Education Center used to be called Harlan Shoemaker, but when the school was expanded a few years ago, the name was changed. Harlan Shoemaker is now the name of one section of the Special Education Center.

ASB acted out the Twelve Days of Christmas while other groups sang and performed various Christmas carols. A different variety of acts were done by Band, Delphinians, Drill-Team, Keyettes, and Pep Squad. Performing for the first time this year as Santa Claus was Mr. Costas.

Stacey Huizdos, Darryl Stoltz, Erin McGreal, and Danny Peters enjoy dancing to the romantic beat of the band Rescue.

The Student Activities League sponsored the 7th Annual Valentine Formal on February 28, 1987. Sara Thompson and Dona Leonard supervised the setting up of the formal. Hours of work was contributed by dedicated volunteers. The result, a beautiful array of pastel streamers and intertwining archways of balloons.

Throughout the night, couples waited with great anticipation for the announcement of the Valentine Court. Austin Peters was pronounced "King of Hearts," with Senior Prince, Brian Boyle; Junior Prince, John Givins; Sophomore Prince, "Spuds" Powell; and Freshman Prince, Chris Cormier.

During a tense moment, Alissa Varricchione and Ritu Chopra slowly open the envelope containing the winning names.

PV spring musical "Sweeney Todd" was a success

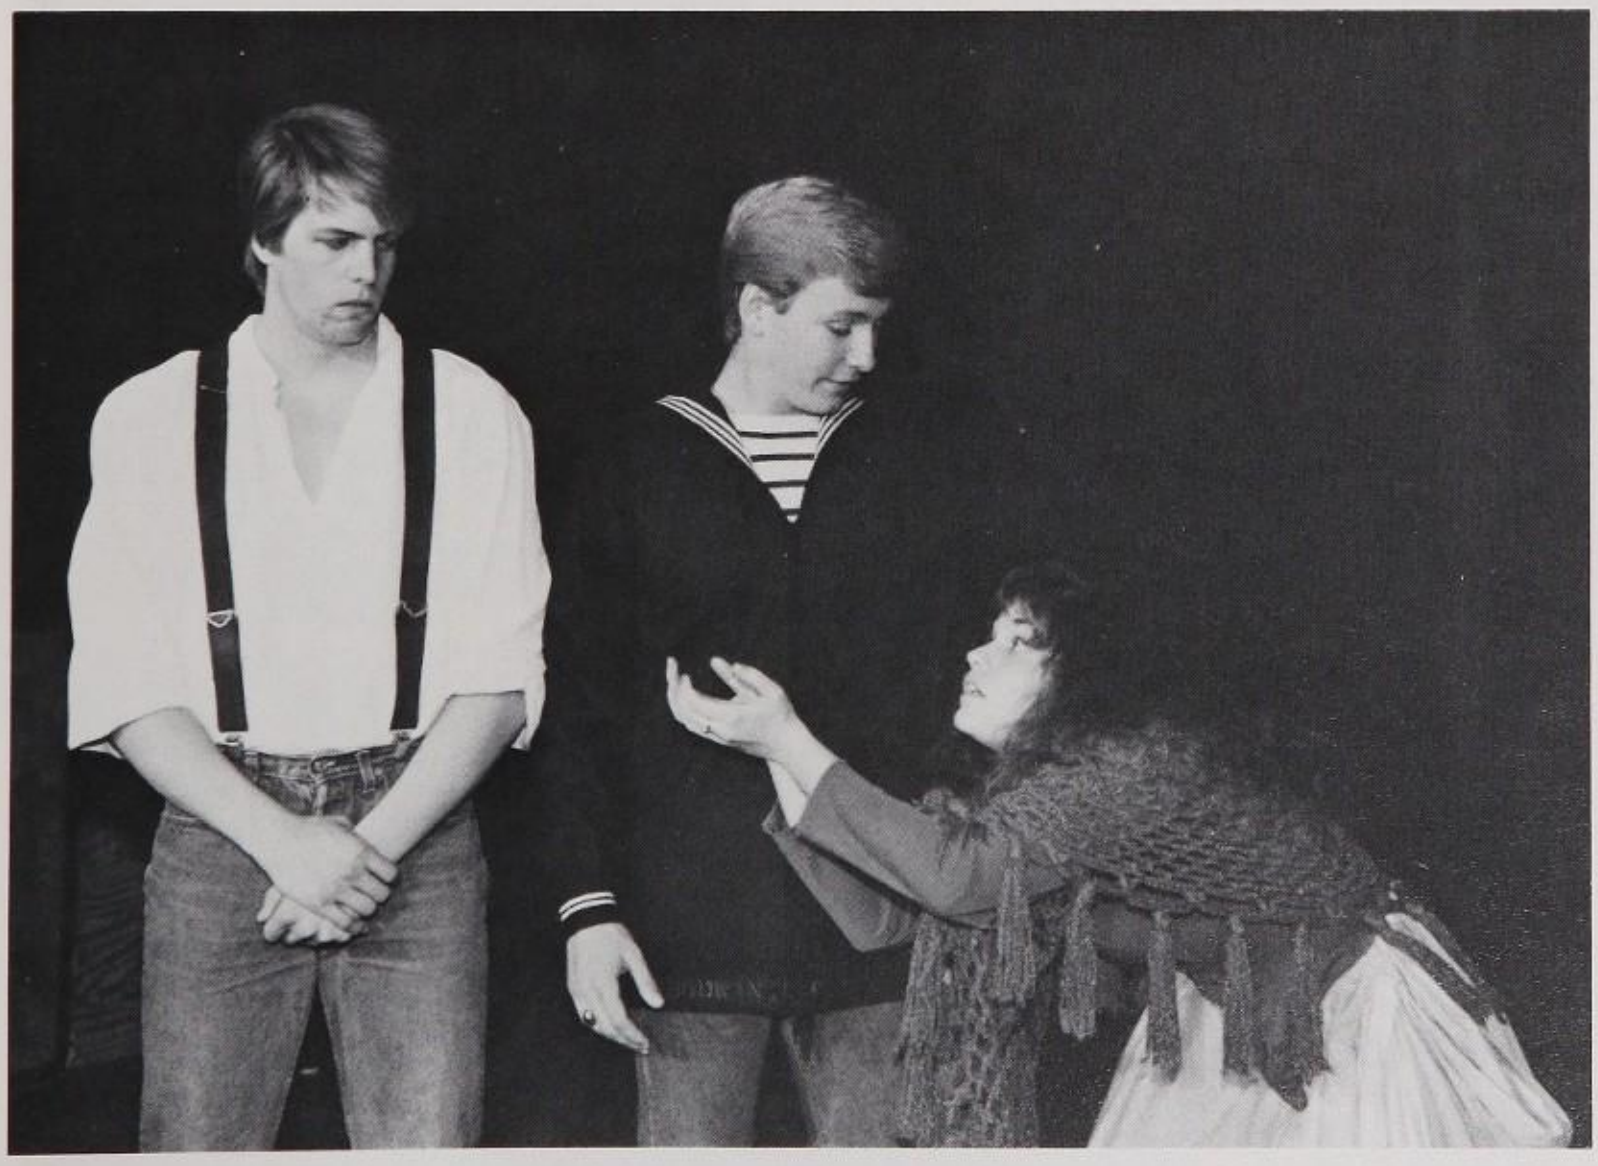
"Sweeney Todd" this years Spring Musical was directed by Jim Bell. Starring in the musical were John McIntire as Sweeney Todd, Alissa Varricchione as Mrs. Lovett, Kristen Robinson as Johanna, and Tim Griffen as Anthony. "Sweeney Todd" is the story of a man's revenge against those who he believes have wronged him. In the process many die in both ghoulish and humorous instances.

Mrs. Lovett and Sweeney Todd sing "A Little Priest," while doing a short dance.

As Pirelli (Eric Chaisson) scolds Sweeney Todd about his past, Mrs. Lovett and Tobias (Andrew Schurict) listen closely.

Judge Turpin listens to the Beadle tell him about "Ladies and their Sensitivities."

Mrs. Lovett begins to tell Sweeney Todd about her dream home "By the Sea."



As beggar woman, played by Allyson Goldin, pleads with Anthony, senior Tim Griffin, Sweeney Todd looks on with complete disgust.

Brent Kimball and Bill Reeves put forth an all out effort to reach the finish line.

Led by captains Sky Piper and Vic Furer, the Boys' Varsity remained undefeated in Bay League for the second year in a row. This largely junior team easily won several highly competitive invitationals including the Mt. SAC Sweepstakes and ended up their season as CIF 4A Runners Up. MVP David Scudamore, consistently remained the top runner throughout the season. The efforts by Bennie Cravatt, Masa Hasegawa, and Blake Boggess also contributed to the teams success. Damian Capozzola, most improved, followed closely behind.

Undefeated for five straight years in Bay League, the powerful Boys' JV, led by senior Mark Hatch, won all of their invitationals as well as all of their league meets this season. Assured of the boys' ability, Coach Joe Kelly replied, "No one will come close to us in league competitions." The girls, coached by Joe Kelly and Rod Flagler, won every meet and invitational, including Bay League, to complete their second undefeated year.

The Girls' JV team, led by Leslie Fill and Cammie Kelly, was also undefeated for the second consecutive year. The hardworking MVP, Lia McArthur, was a big part of the success. P.V. players participate with energy and talent

The water polo team this year had a spectacular pre-season with a record of 10 wins and only 3 losses. Unfortunately, the team did not fare as well in the league games. A few of the players traveled to San Louis Obispo where they competed in two tournaments. Later in the year, the team competed in CIF and made it to the semi-finals.

Bob Anderson and Howard Redd were both acknowledged as being the most valuable players of the team. Howard Redd was also nominated for the 1987 Athlete of the Year. Jay Hagan was honored as the most inspirational player.

The Triton staff has a whirlwind of new, inspiring ideas

Since there was a diverse selection of pictures available from the photographers, it was easier for each staff member to choose his or her candids to put into the Triton for this year. As Mindy Fountain, one Editor-in-Chief, recalled, "Because of so many new staff members, our deadlines were hectic, but we pulled through the clutch." The Yearbook Staff also welcomed the arrival of the new Macintosh computers and laser printers which they had to learn to operate. All in all, as Editor-in-Chief Lauren Fein said, "With Mrs. Linehan's guidance, the creative Triton staff worked together to gather many memories from the year."

Thespians, the honorary drama club, attended numerous fund raisers and theatrical productions. The club's Presidential Committee said, "We whole-heartedly agree with Albert Einstein when he said, 'Imagination is more important than knowledge.'"

The members of the PV Stage Crew spent a lot of time and energy designing and constructing the sets for the fall and spring shows. Without the hard work of the stage crew, the excellent PVHS drama production would not be as successful.

Conscious of the fact that there are vast amounts of school news and features which involve the students lives, The Trident newspaper published 14 issues ranging from such topics as the Miraleste MUST Plan to Greg and John's Sureshots. Under the leadership of Editor-in-Chief Marjorie Culver, The Trident perservered through the procrastination and joking around to meet the sometimes ominous deadlines.

"Cooperation and camaraderie have been an important part of the relationship of the staff members this year. We have put in a lot of hours of hard work trying to present a responsible paper that both informs and entertains. We have evolved from crises and paranoia to a lot of laughs and memorable moments," Culver said.

Marjorie Culver is baffled by the complexity of the typesetter; however, William Yeh shows her how it's done.

Clubs retain identity through activities

Consisting of committed distance runners, the 700 Mile Club requires each member to run a total of 700 miles over the summer. During the final week, the runner must average 70 miles to complete the requirements. To meet this demanding task it takes dedication and hard work, but it is worthwhile in the eyes of each member.

"It was a lot of hard work, but it was paid off by a good season," said Angie Snider.

The Breakfast Club, one of the more unique clubs at Palos Verdes High, knows how to spend their Friday mornings. After a quick jog, the club then goes to a member's house to enjoy a magnificent feast of eggs and the traditional Froot Loops.

"Thou shall run a short jaunt, take a sip out of the silver goblet, and eat a bit of toast prior to Froot Loops and the main course," thus said Co-exalted Ruler Vic Furer.

"Traveling to another country is an experience that enriches ones outlook on different cultures," said Laurie Hall.

Choreodancers, consisting of Orchesis, Modern Dance Honoraries, and Jazz Dancers, completed their 26th annual Dance Show. The dance concert production was designed, produced, choreographed, and performed by the students, with the assistance of Director Madelyn Bilkey.

During the year, the dance classes invited expert dancers to give the students new ideas for different dance routines and techniques.

Choreodancers worked very hard, rehearsing for many hours in order to put on a spectacular Dance Show. Through all the work and practice, the dancers gained experience in the art of performing as well as meeting new friends.

Choreodancers ran a chocoholic booth at the carnival which was very popular. The year was ended with a huge breakfast and the dancers were able to see themselves perform on video.

PV District faces multiple decisions

This was a year of many decisions: the Miraleste seven through twelve plan and the parcel tax election. After many community meetings, the board voted to keep all high schools open with Miraleste serving grades seven through twelve. In 1987-88 the board will reconsider such a configuration for the other high schools.

The excellence at Palos Verdes High continues.

This year was another milestone for Palos Verdes High School. The reputation of our school for excellence in education was again confirmed with the selection of PV as one of thirty Distinguished High Schools from the entire state of California. In addition, our Academic Decathlon Team placed second out of sixty-one high schools competing in Los Angeles County. This year was also significant as the school went through the WASC accreditation - a self evaluation process.

Principal Nardy Samuels said that the school year went very well. "It is a privilege to be principal of a distinguished school like this one where faculty require excellence from their students, and students respond."

Bernard Samuels: Principal.

James Kinney: Director of Student Activities

Sharon Dezutti: Assistant Principal/Curriculum.

Jan Hillger: Dean of Students.

John Letcher: Assistant Principal/Management.

The counselors have made themselves available during lunch for conferences and for solving emergency problems. Joe Cunningham returned to counseling at Palos Verdes after many years of absence.

The Career Guidance Center is a facility within P V High School which assists students in choosing their future careers. The Guidance Center is a library filled with information on colleges, career programs and the Southern California Regional Occupational Center. Incoming freshman are given Career Education Management System folders which remain with the student for their four years at Palos Verdes High School. The folders include things such as, an interest survey, work values survey and occupational testing results. In addition to this service, counselors hold workshops to aid students in the preparation of their college and financial aid applications.

Science has new classes and faculty

The Science Department has had to add several more science classes and two new science teachers to meet the increase in science students because of the new graduation requirements. "The Science Department has undergone a positive increase in both staff and number of classes offered. In addition to last year's outstanding staff, Steve Shibuya and Madelyn Bilkey have joined us," said Mariana McMullen.

Marilyn Deppe: Physical Science/SM, Physical Lab Science, Biology I.

Math Department prepares students for college

This year the Math Department offered a multi-level college-preparatory program. The program was designed to meet the University of California and California State three-year minimal requirement. Follow-up studies showed that students from Palos Verdes were well-prepared for both the placement exams and the coursework they encountered.

Some department members introduced calculators which could be used on the overhead projecter or had graphic capabilities, as well as used computers in their classes. Joan Gell, Math Department Chair said, "It's hard to keep up with the students when it comes to computer and calculator capabilities!"

Joan Gell: Trig, Math I, Computer Programming AP.

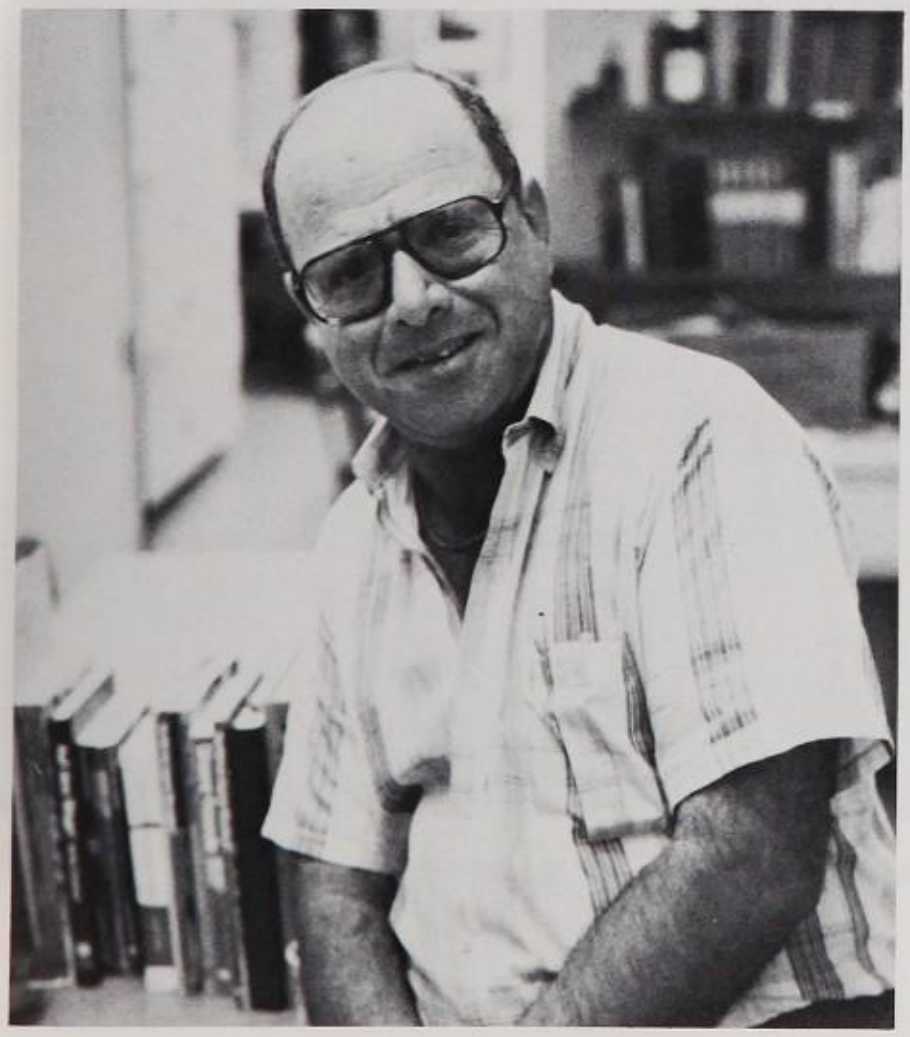
Language students learn foreign trends

Foreign language is becoming increasingly important in today's rapidly changing society. Not only do the University of California schools require a foreign language, but also the California State system will require two years for admission by 1988. All the students at Palos Verdes High School have a unique opportunity to take four years of a foreign language, and even have four different languages to choose from. Department Chairman Kermit Olson added, "This is highly unusual."



Peter Fawaz: French II, III, IV, Athletics.

Marion Goetz: German I, II.

Janet Marshall: French I, III.

Gina Herzog: Spanish I, III Honors, IV AP.

Anthony Kordich: Spanish II, III, IV AP.

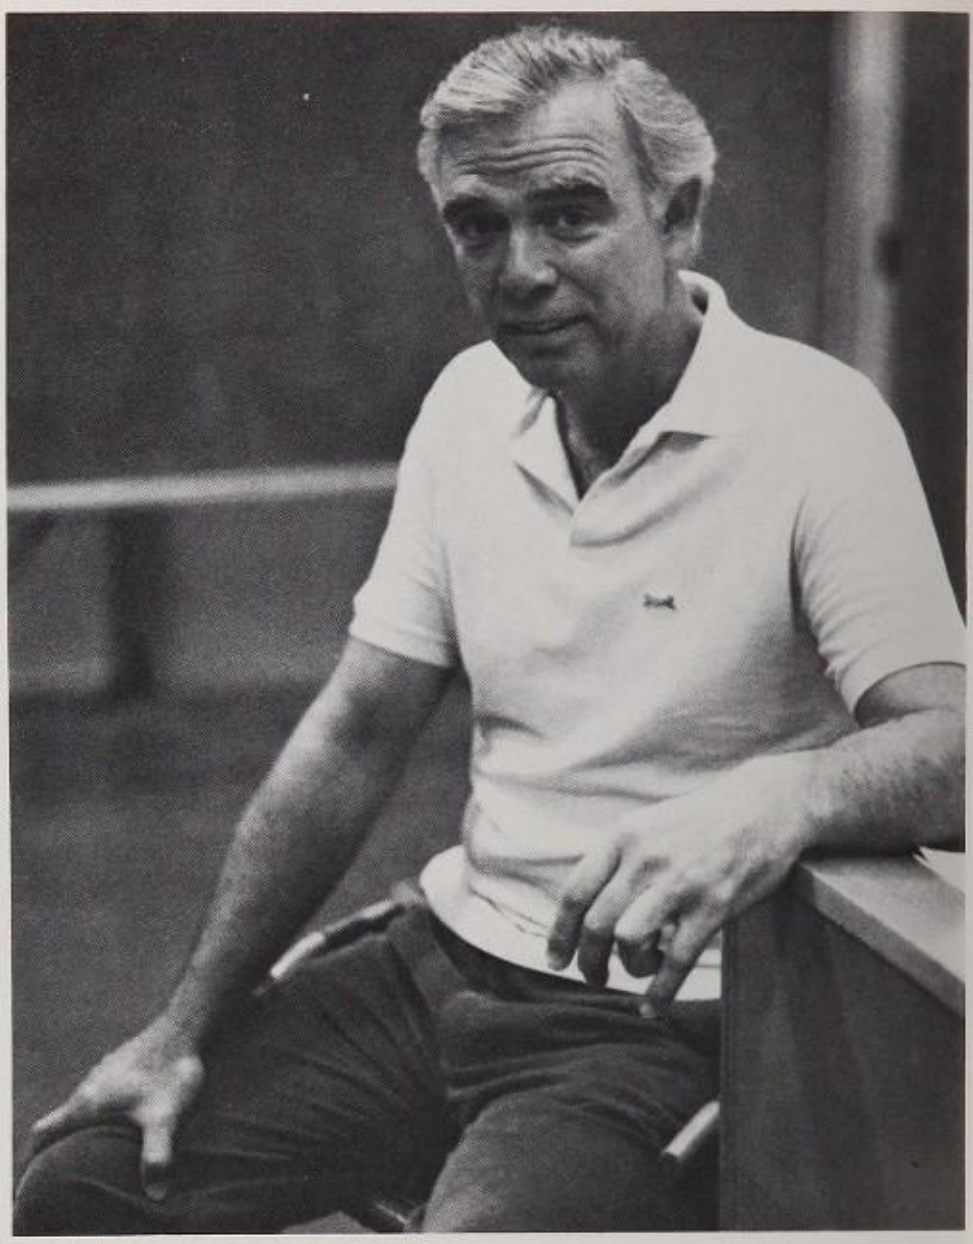
Art Department finds creative ways to express ideas

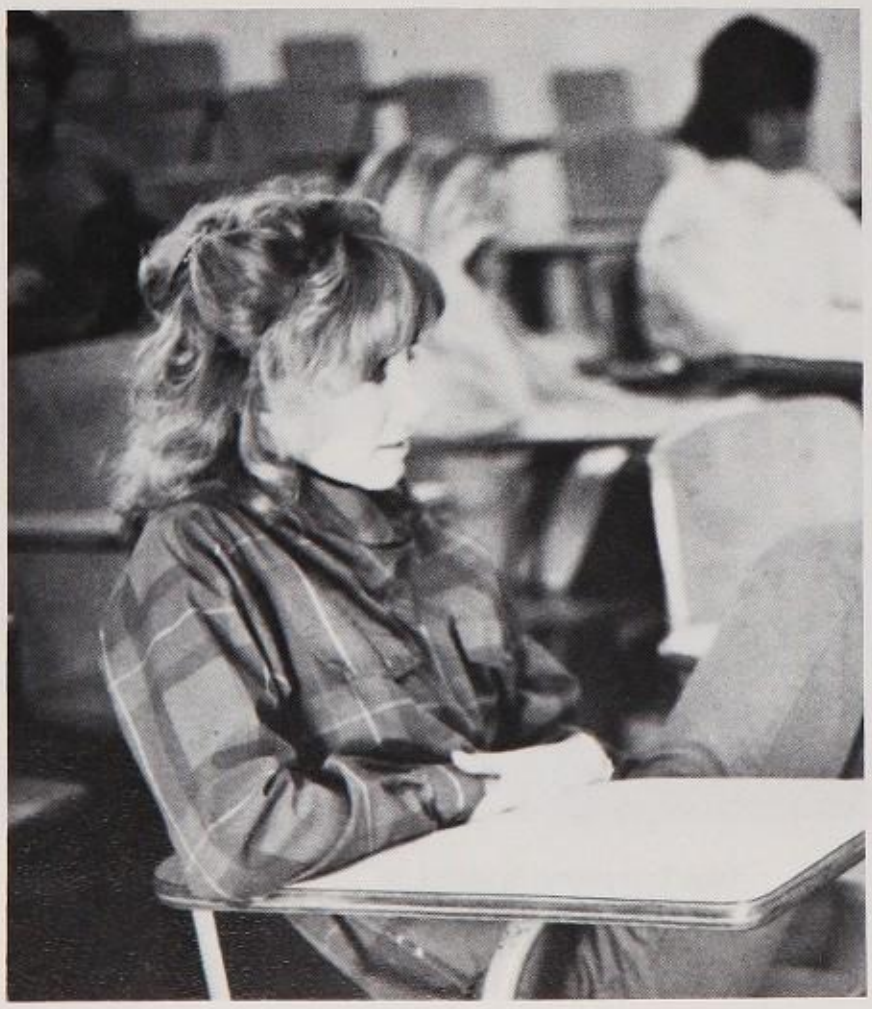
Receiving high honors in state and local competitions, the Performing Arts Department had another successful year at Palos Verdes. New to the Arts Department was a computer art system bought with CAPS funds for use in Studio Art AP. The Drama Department, under Jim Bell, won sweepstakes awards in most of their competitions and performed for the Department of Education in San Francisco. Said Mr. Bell, "We had a great year."

Under Linda Russell's discerning eyes, airbrush, silkscreening and related printmaking activities flourished. New to the crafts program this year was Lois Olsen. Ron Roush's crushed-glass filled plaques were a popular assignment in ceramics as they resembled stained-glass works.

Said Coby Martinez of the Music Department, "This year's music program all worked in unison towards the same goal. Unlike in previous years where we had individuals who would try to outshine the rest, this year we worked as a complete team. I am very proud of that."



Jim Bell: Drama IH, I, II, III, IV, Stage Production.



Patricia Higgins: Drama I, II.

Chizuko de Queiroz: Drawing/Painting i, ii, Beginning Art, AP Art.

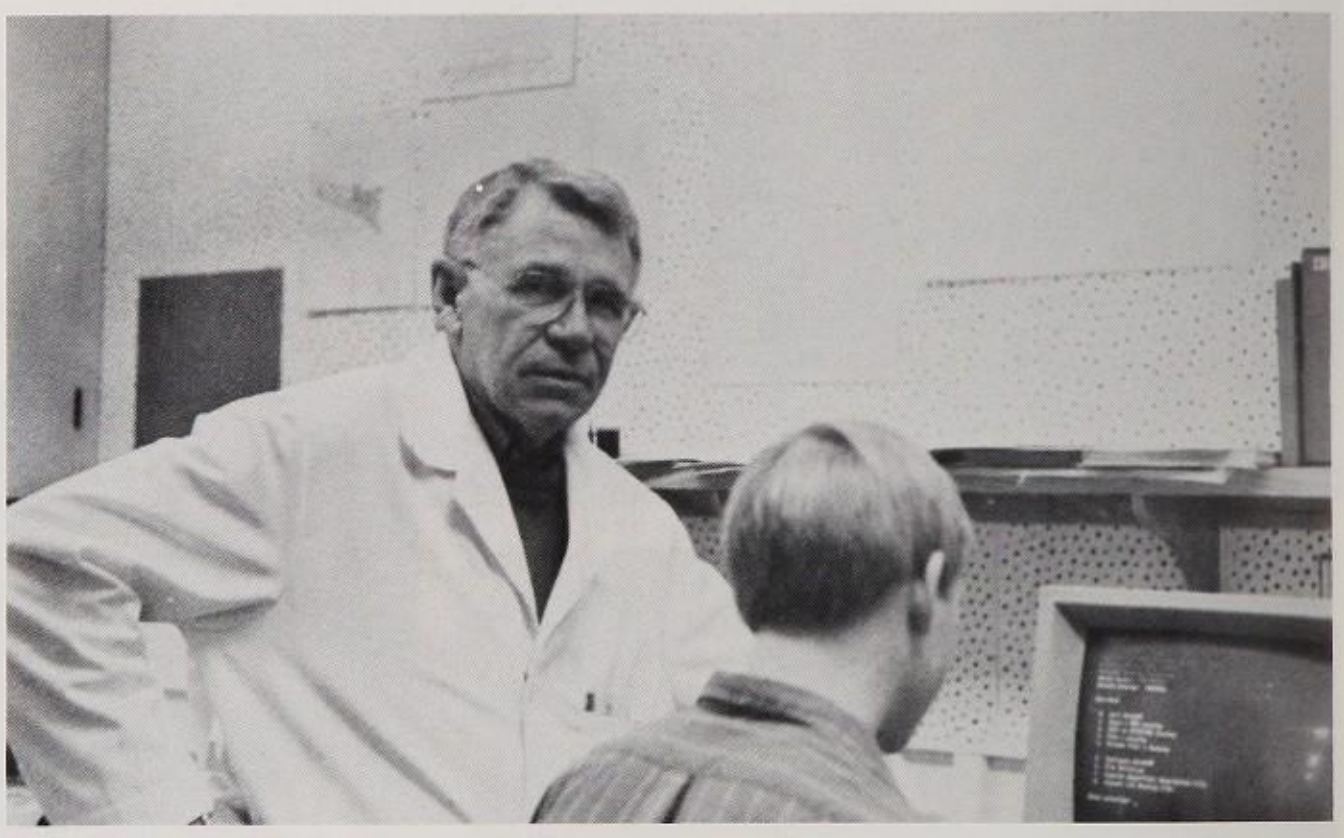
The woodworking classes work to make money

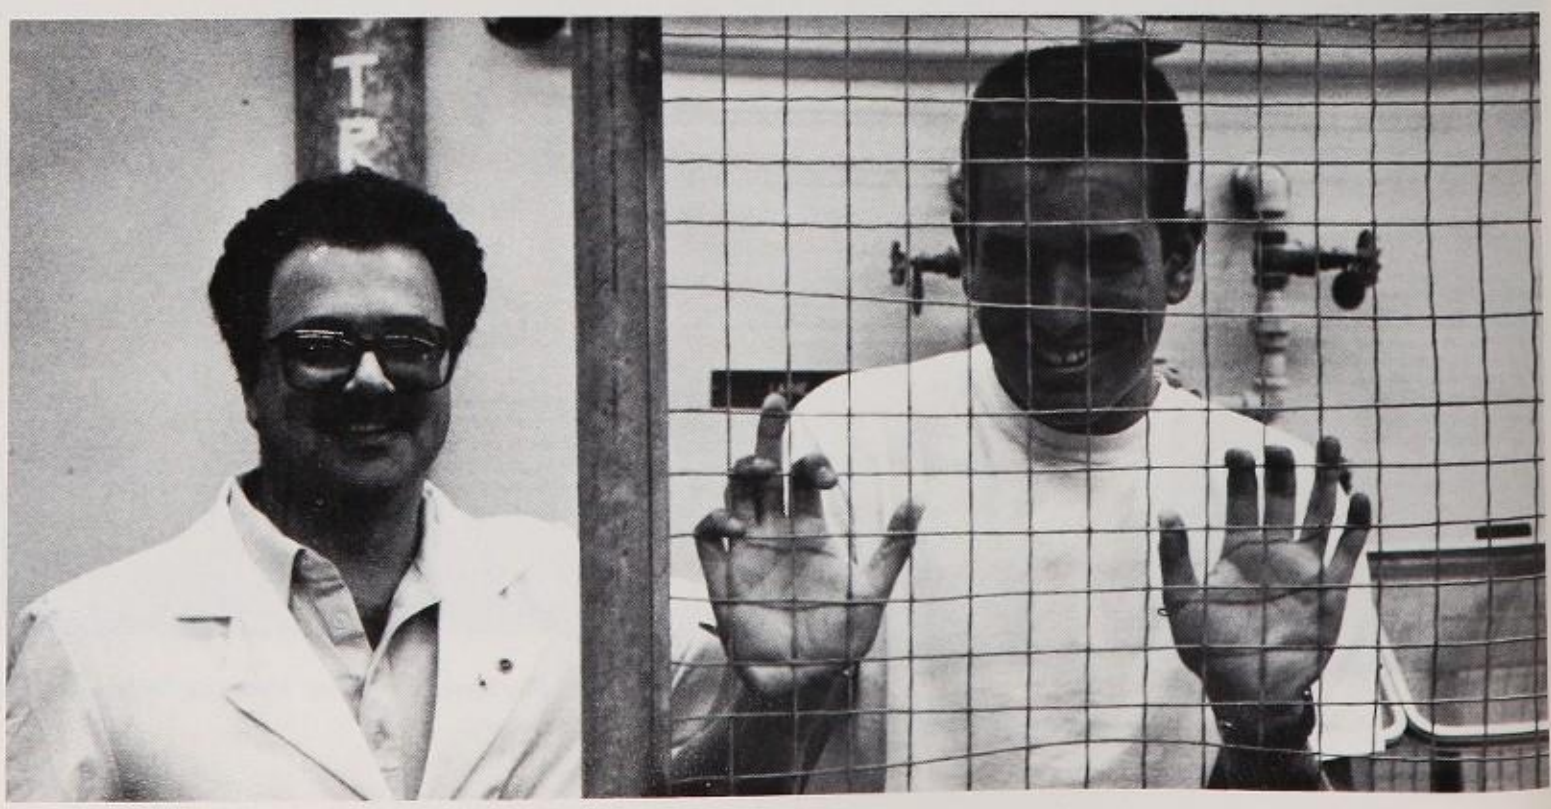
Students in advanced wood were encouraged to get specific jobs on which to apply their skills. Many of these were displayed for sale in the Main Office. Head of the department, Walter Donahue also said, "I'd like to get more female students."

Dick Throne worked on upgrading computer-assisted drafting classes. Houses and their interiors were organized by using the computer which has different colors to show off various sections.

Verla Mikel: Creative Cooking, Gourmet Cooking, Western Civilization.



Dick Throne: Mechanical Drawing A, B.



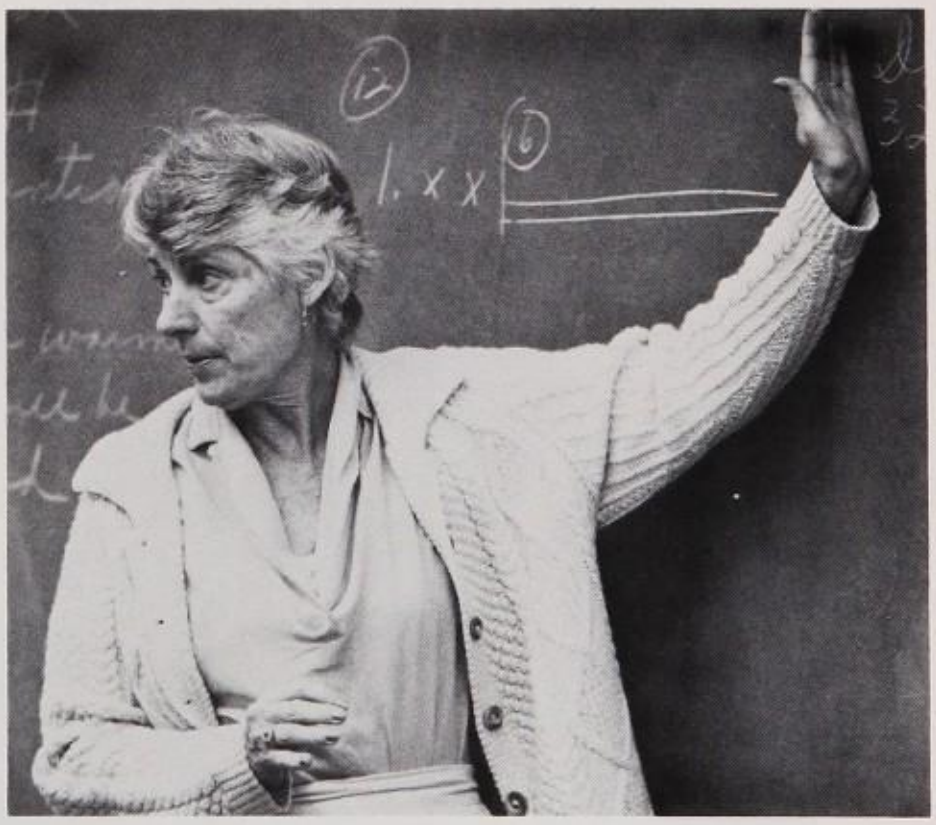
Walt Donahue: Woodwork, Advanced Woodwork, Cabinet Construction, SCROC.

Richard Hazeltine: Typing A,B/Word Processing, Computer Business.

New computers used in business classes

The Business department has new typewriters and Apple Computers. Word Processing classes are now being offered to students upon completion of Typing A. Richard Hazeltine who expects enrollment in Business Computer classes to expand said, "As a result of a Hands-on learning experience, students are learning to use the computer for many business data and word processing applications."

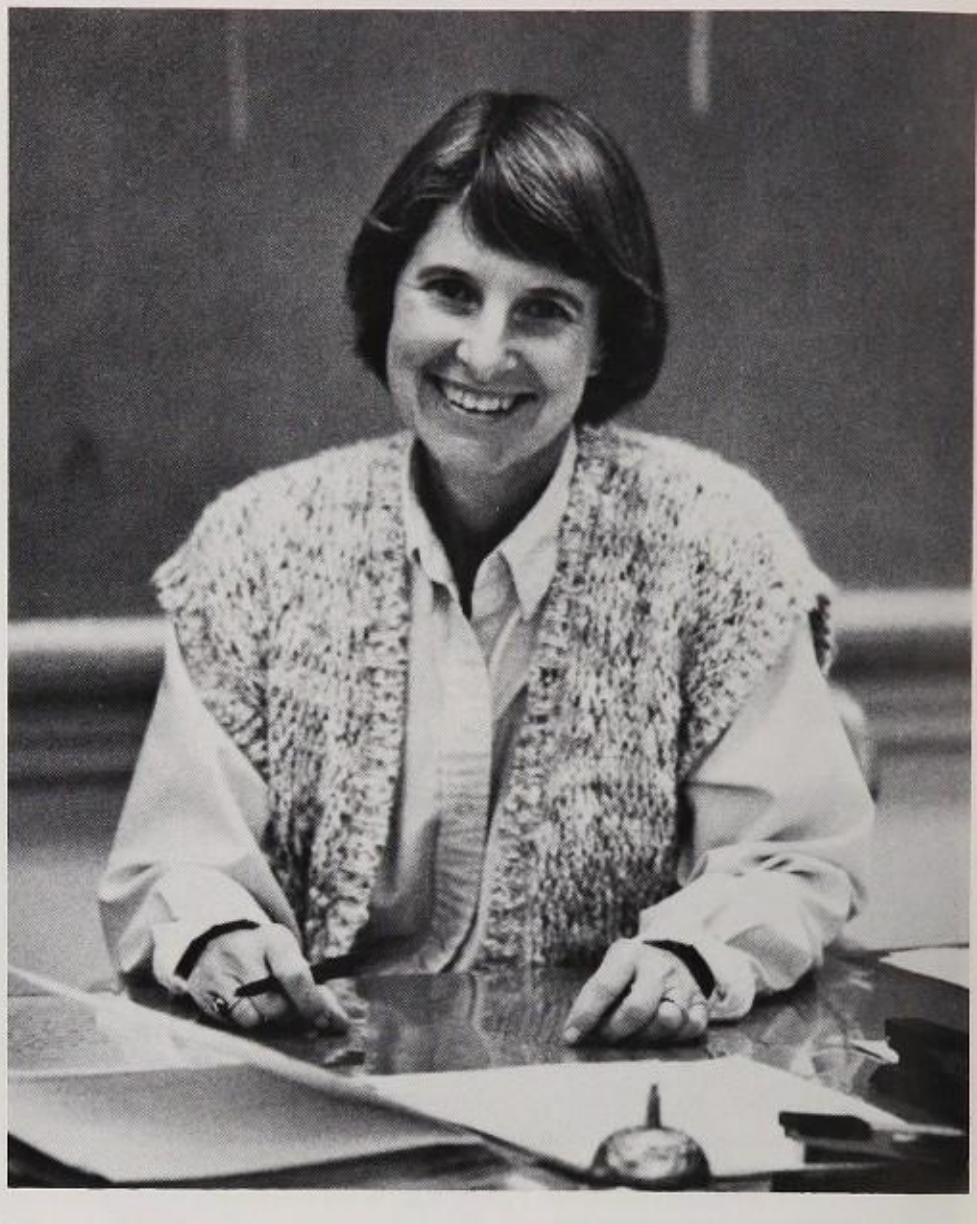
Johann Harlow: Work Experience.



Josephine Smith: Typing A,General Business,Business Math.

English receives strength by diversity

A few changes in the English Department include new IBMs for writing aides and three new additions to the faculty. Elsa Celnicker has returned from one year at RHHS, Lois Olsen has joined the English Department as well as the Art Department, and Alvin Borne taught the added English III Honors class. Walter Dombrowski, not pictured, taught Composition and English II. "While we are a very diverse Department," Patricia Linehan, Department Chair, said, "that diversity is part of our strength. Our students come in contact with different perspectives, both from the teachers and from the literature they read."



Patricia Linehan: English IV AP, Journalism I, II, III, IV, Photojournalism, Graphic Arts.

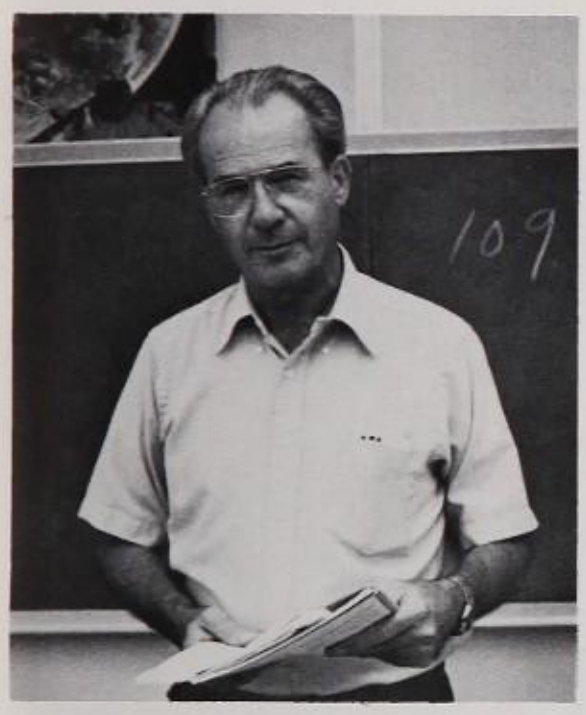
History is made in PV social studies

The main changes in the Social Studies Department occured when Richard Hadley went to Dapplegray to be an administrator. This change made it necessary to move Perry Lynn to take over Hadley's AP History program, and Peggy Costello took over Lynn's World History program. "With these personnel changes, we feel that the History Department's traditionally excellent program will be attained," said Pat Costantini head of the department.



Wilfred Lee: U.S. History.

Perry Lynn: Economics, U.S. History AP.

Ann Marie Smyth: World History Honors, World History, Recent European History.

Mike House: American Studies, U.S. History M., US. History.

Physical Education and Health/Drivers' Education Department Chairperson Madelyn Bilkey described the main emphasis for this year, "To instruct for skill development, fitness and to provide a fun environment." A new state-mandated physical fitness program was inititiated, and all sophomores' scores were submitted to receive state and national evaluation. P.E. activities included a variety of individual and team sports as well as dance. CPR was one of many subject areas emphasized in the health course. Students' speeches and guest speakers enhanced student awareness.

Life is sweet because of the
friends we have made
And the things which in common
we share;
We want to live on, not because
of ourselves,
But because of the ones who
would care.
It's living and doing for
somebody else
On that all of life's splendor
depends,
And the joy of it all, when we
count it all up,
Is found in the making of friends.

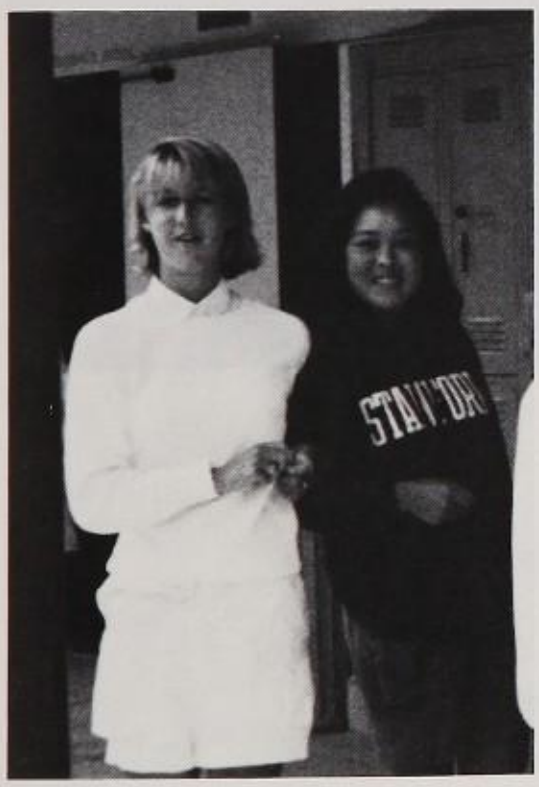
A Lifetime's Not too Long to Live as Friends



But we'll keep you close as always
It won't even seem you've gone
Cause our hearts in big and small ways
Will keep the love that keeps us strong
And friends are friends forever...

"Friends"
by Michael W. Smith

As we reach out our hand, the diploma we grasp.
While we think of the memories of the years in the past,
Tears fill our eyes because it's all gone.
We're starting a new life; we have to move on.
We hope friends will keep in touch as the years pass us by.
Although it hurts inside, we'll try not to cry.
We think of kindergarten and our first day;
Now we've reached the end; we are going away.
How do you say good-bye to a friend who means so much?
Will there be time to sincerely keep in touch?
You'll always have the memories
of your school years from day one.
Don't think of school as an ending;
Think a new life has begun.

There is no distance too far between friends, for friendship gives wings to the heart.

Friendship defies age
and ignores distance.
It weathers the hard times
and shares the good.
Together we have found this.
Our friendship has proved
acceptance
and understanding in a world
that pushes people apart.
But we will always remain
with the memories
of the time we have shared,
knowing how fortunate we are
to call each other friends.

"A Toast to Friendship"

Know you can always count on me.
For sure,
that's what friends are for.
I never thought
I'd feel this way.
As far as I'm concerned,
I'm glad I got
the chance to say
I love you all.
You came
and opened me.
Now, there's
so much more I see;
and so I thank you guys.
For the times
when we're apart,
close your eyes and know
that these words
are coming from my heart...

MARINELAND WILL LIVE FOREVER IN OUR HEARTS

WE SAID GOODBYE TO A DEAR OLD FRIEND AND WE PACKED OUR BAGS AND LEFT, FEELING SAD, IT WAS THE ONLY WAY, THE ONLY WAY...

"WE SAID HELLO, GOODBYE"

The setting: Room 403 after an 8 hour deadline of cropping pictures, checking names, typesetting, and losing our minds.

Lauren: Oh no!
Mindy: What now?
Lauren: Have you seen Elijah's board?
Mindy: Wait. Do you mean Edwin?
Lauren: I don't know. I always screw their names up. I know this is newspaper type though.
Mindy: I hate when the newspape people switch the font. This is such a nightmare!!! I'm starved.
Lauren: Domino 's delivers in PV now. Can somebody please turn over the tape?
Mindy: You know this board isn't half bad. They're getting a lot bet - ter with cropping.
Lauren: Yeah, they've learned how to crop but the spelling still has a long way to go. By the way, can you check the computer list for von Nordenflycht?
Mindy: That's how you spell it. Poor Kim, she'll never forget that one.
Lauren: Oh my God, this picture is totally out of focus. Can you please find me another proof sheet? Wait, is this the last board?
Mindy: I'm in utter shock. We can't be finished! Rich Otera would never believe it.
Lauren: 303 pages in six deadlines.
Mindy: Mom, I mean Mrs. L.,can you believe we're done? We never could have done it without you.
Lauren:I never expected that we would have shared so many good times and had so much fun while doing so much work.
Mindy: I wouldn't have given it up for anything. I'm really going to miss it next year.
Lauren: Yeah, but we'll have these memories for a lifetime.
Mindy and Lauren: Thanks to all the staff who made this year so special and especially to Mrs. Linehan, we love you.
